

Annual General Meeting & Annual Scientific Meeting

The forthcoming Annual General Meeting/Annual Scientific Meeting of our Society is scheduled on Friday November 22nd 2002 to be held in the Lecture Theatre of the Hospital Authority Building. The Annual Scientific Meeting will be held in collaboration with Hong Kong Hospice Nurses' Association, and the HAHO COC Palliative Care.

This year, we are honoured to have Professor Nathan I. Cherny to be our guest speaker. Professor Cherny is the Director of Cancer Pain and Palliative Medicine Unit, Medical Oncologist, Dept of Cancer Medicine, Shaare Zedek Medical Center, Jerusalem. He has kindly agreed to visit us and give a lecture on "Pain and sufferings – more than physical, beyond multidimensional". Professor Cherny has widely published especially on the management of pain in cancer patients. He is also a co-author of the third edition of "The Oxford Textbook of Palliative Medicine" which is now in preparation for publishing.

AGM will start at 6 pm before the scientific meeting, and dinner will be served after the lecture. CMEs have been applied to Colleges of Physicians, Radiologists, Family Physicians, and Surgeons. HA CNE accreditation has also been applied. Details of the meeting please refer to the meeting calendar on page 2.

I hope you would find a useful and memorable night with us. Looking forward to seeing you at the meeting, and for all the members, please show your support for the AGM!
