

## **AGM 2002**

The Annual General Meeting of the Hong Kong Society of Palliative Medicine was held on 22 November 2002 at the Hospital Authority Building at Argyle Street, Kowloon. This is the 1<sup>st</sup> AGM since the society has changed the registration status to a Limited company. The annual report and the financial report were passed. Office bearers were successfully elected. Dr Doris Tse was re-elected as the Society' s chairperson.

The annual scientific meeting was held after the AGM. This year we are very honoured to have Professor Nathan Cherny to be our guest speaker. Professor Cherny is currently Director of Cancer Pain and Palliative Medicine Unit at Shaare Zedek Medical Centre, Jerusalem, Israel. He delivered a talk with the topic "Pain and suffering – more than physical, beyond multidimensional" ..It was a talk not only of palliative cancer treatment, but also of humanity. The talk attracted a wide audience, which filled up the lecture hall of the Hospital Authority Building.

The audience (above) listening attentively to Professor Nathan Cherny' s talk (right).
